Minutes:

The Restaurant Operations Committee met in regular session.

First item of business was to review the 12 Oct minutes and make corrections as needed.

Second item of business was to review the 12 Oct minutes and receive update on open actions.

- 1) The food menu and prices have been updated, while the drink prices have been updated but not fully documented yet;
- 2) The Computer – Point of Sale (POS) system requires further research from Alicia;
- 3) The structural modification to the building was completed (looks great and more open);
- 4) Discussion of the back room as a game room was put on hold until finances improve); and
- 5) The minutes of the January 2010 meeting were found on the Chairman's computer.

Third item of business was to identify upcoming activities at the Post (see the Post website for further information). **Friday, 8 March 2013 there will be a Toga party with a Band.**

Monday – Closed - Brats and Cribbage night terminated

Tuesday – Hot Dogs and Ace of Hearts

Wednesday – Burrito Bar

Thursday – Texas Hold ‘em Game Night

Friday – Steak Night – Cost TBD

Saturday – Bingo Night

Sunday – Breakfast served

Fourth item of business was to discuss Alicia's proposal to add stairs to gain access to the large room (approximately 800 sq ft) downstairs for The American Legion and Auxiliary usage. Palmer Lake Express, Ltd has been unable to rent out the space at this time. The construction would be paid for by Palmer Lake Express, Ltd and the Post would pay the utilities (heating and electric) that would be based on the 3rd meter reading. The room is large enough for family / Legion gatherings and for hosting parties, and great potential for pool table, wifi, video games, etc to draw in people. Further discussion required.

The last item of business was a finance report that the restaurant operations are in good financial strength, but need to watch revenues. Additionally, Post members need to frequent the Post for meals.

Adjournment
